Data for Decision Support

Info | Contributors

Contributors please note: I am seeking the right people to get involved in the decision. Add your comments to this page, let's get the conversation started.

Please add:

- The people directly impacted by this so we can include them.
- Any references to previous work and investigations that we can leverage.
- Any constraints and challenges we need to consider to make this decision and following action plan.

Info | How to determine "impact" rating of a decision rating?

Decision Characteristics

- HIGH**
 - The decision will have a material impact on the customer experience OR
 - Will significantly impact the roadmap OR
 - Will adversely disrupt an internal business process.
- MED**
 - The decision will involve a less than material change to customer experience OR
 - Will impact the roadmap OR
 - Will impact an existing internal business process
- LOW**
 - All other decisions
