Certificate

MGMT. SYS.
RvA C 466

Certificate number: 2018-012

Certified by EY CertifyPoint since: May 25, 2018

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015 and ISO/IEC 27006:2015, the Information Security Management System as defined and implemented by

Atlassian Pty Ltd.*

located in Sydney, Australia is compliant with the requirements as stated in the standard:

ISO/IEC 27001:2013

Issue date of certificate: January 23, 2019
Re-issue date of certificate: February 3, 2021
Expiration date of certificate: January 22, 2022
Last certification cycle expiration date: May 25, 2021

EY CertifyPoint will, according to the certification agreement dated March 7, 2018, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

The certification is applicable for the assets, services and locations as described in the scoping section on the back of this certificate, with regard to the specific requirements for information security as stated in the Statement of Applicability, version v.3, dated February 02, 2021.
